Double Safety Sealed: Do not accept if either tear band on cap or inner freshness seal is damaged or missing.

Keep in a cool dry place with cap tightly closed.

Eucalyptus is native to Australia and Tasmania, and is a traditional household remedy in that region. While the essential oil is a common ingredient in many commercial and aromatherapy preparations, many still rely on the stimulating leaves for powerful respiratory support to promote healthy breathing, and to support the throat, bronchial and respiratory system.*

Common uses include:

- Supports respiratory function*
- Supports throat, bronchial and respiratory system*

Nature's Wonderland® Guarantee: This product is guaranteed for purity, freshness and labeled potency.

Vcaps® is a registered trademark of Capsugel.
