Milk Thistle Herb is the natural way to promote healthy liver and gallbladder functions. The plant has a long history of use. Various preparations of Milk Thistle have been used in European herbalism for more than 2,000 years. The herb is milder in action when compared to the seeds. Many use it to boost their detoxification formulas, and as a bitter tonic to maximize digestive health.*

Common uses include:

- Supports healthy digestion*
- Gentle liver support*
- Digestive tonic*
