## Warnings

**Viral infections are contagious, and this product will not prevent the spread of the virus that causes herpes or any other virus.**

If skin symptoms worsen discontinue use and consult a health care professional. Some individuals may be sensitive to essential oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin.

**For external use only.** If accidental ingestion more than several drops, and adverse reaction occurs, get medical help or contact a Poison Control Center. Do not apply to the eyes. If you are pregnant or breast-feeding, ask a health professional before use. Not for use on children under age of 3. **Keep all medicines out of the reach of children.**

Stop use and consult a doctor if condition worsens, or consult a doctor if symptoms show no improvement after 7 days.
