**Cinchona Bark** is best known for its natural compound, quinine. This therapeutic bark is used worldwide to strengthen stomach function, encourage proper digestion, and to promote intestinal cleansing. In addition, Cinchona is a well-respected herb in South America and Europe for supporting heart health and soothing muscle cramps.*

### Common uses include:
- Promotes healthy digestion (bitter principles stimulate the action of beneficial digestive juices, which encourages proper digestion)*
- Supports healthy stomach function*
- Promotes intestinal cleansing*
- Soothes muscular discomforts*

---

**Other Ingredients:** Plant Cellulose (capsule), Magnesium Stearate.

**Suggested Use:** As an addition to the diet, take 1 or 2 capsules, three times daily with water at mealtime.
