Dog Grass Root soothes and supports the entire urinary system, and maintains healthy kidney function. For generations, herbalists and tribal Indian healers used Couch Grass for its gentle diuretic action. Today, many are re-discovering its time-tested therapeutic value. It offers targeted, yet soothing, protective support for the urinary, bladder, and kidney functions.*

Common uses include:

- Soothing support for a healthy urinary tract, kidneys and bladder*
- Gentle herbal diuretic*
- Promotes prostate health*
- Soothing support for mucus tissue, such as the throat and respiratory system*
