Maca is a legendary 2,000-year-old food and herbal tonic that grows high in the Andean mountains. The rejuvenating root is packed with protein, fiber, minerals and an array of phytonutrients that can help boost energy, stamina, and support male and female sexual health. In recent times, Maca root has been recognized as an adaptogen, an herb that helps to maintain the body's healthy response to physical and mental stress.*

Common uses include:

- Boosts stamina and endurance*
- Supports healthy stress response*
- Supports healthy reproductive function*
- Supports athletic performance*

Double Safety Sealed: Do not accept if either tear band on cap or inner freshness seal is damaged or missing.

Nature's Wonderland® Guarantee: This product is guaranteed for purity, freshness and labeled potency.
