Prunella is a traditional European herb that is well respected for promoting healthy tissue repair, thus lending to its common names: Self Heal and Woundwort. A favorite of Native Americans, Prunella has traditionally been used as a good overall tonic, general strengthener, and is well respected in supporting the body's ability to heal itself.*

Common uses include:

- Herbal support for tissue repair*
- Supports immune system*
- Astringent tonic (tightens & tones tissues)*
- Blood pressure support*
- Promotes healthy liver and gallbladder function, and supports glandular health*
