**Nature's Wonderland® Guarantee:** This product is guaranteed for purity, freshness and labeled potency.

**Yerba Santa** is an aromatic shrub that grows in California, Oregon, and parts of Mexico. Native Americans used the leaves to promote respiratory and bronchial health; an application still recommended by modern day herbalists. Its benefits were later appreciated by the Spanish colonists who reportedly named it Yerba Santa, meaning "Sacred Herb" or "Holy Herb." It is also used as a stimulating, rejuvenating tonic to help relieve fatigue.\*

## Common uses include:

- Promotes respiratory health\*
- Supports bronchial health\*
- Helps relieve fatigue\*
