

Lanolin is an all natural, super skin softener that moisturizes rough, dry, chapped skin, and promotes soft, supple complexion. Its natural emollient properties promote healthy skin, and make Lanolin an excellent base for lip balms, hair and skin care blends, and ointments.

Note: Lanolin is a purified wax derived from sheep's wool.

Safety Information: Keep out of reach of children. For external use only. Apply generously to dry skin. Use as often as needed.
