**Usage Warnings:** Check with your doctor before using this product if you are using medication, including diuretics, heart medications and corticosteroids, or have any medical condition. Do not use if you have an intestinal obstruction, hemorrhoids or other intestinal disorder. Do not use if you are taking other products concurrently that has laxative effects. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. NOTE: This product is not intended to be used without breaks. Cape Aloe belongs to a family of plants containing compounds with laxative effects. Can lead to dehydration and electrolyte loss. With long-term use without breaks, this ingredient may interfere with diagnostic imaging procedures of the colon. Taking a break of 30 or more days between use cycles will help maintain natural regularity. Not intended for long-term use.

**NOTICE:** This product contains Cape Aloe. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Cape Aloe may worsen these conditions and be harmful to your health. Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
