

Drug Facts

Active ingredients	Purpose
Calcarea Phosphorica 6X HPUS	teething, dentition
Chamomilla 6X HPUS	irritability
Coffea Cruda 6X HPUS	sleeplessness
Belladonna 12X HPUS (0.00000000000003% alkaloids, calculated)	redness and inflammation

"HPUS" indicates the active ingredients are in the official Homeopathic Pharmacopeia of the United States

Uses

Temporarily relieves the symptoms of simple restlessness and wakeful irritability due to cutting teeth. Helps reduce redness and inflammation of gums.

Warnings

Do not use

- more often than directed
- for more than 7 days in a row unless directed by doctor or dentist
- if your child has a known allergy to any ingredient to this product

Stop use and ask doctor if

- symptoms do not improve in 7 days
- swelling, rash or fever develops
- irritation, pain or redness persists or worsens

If pregnant or nursing, ask a doctor before use

Keep out of reach of children. In case of accidental overdose, contact a medical professional or a poison control center immediately. Do not use if imprinted tamper band is broken or missing.

Directions

Dissolve 2 to 3 tablets under the tongue 4 times per day. If you prefer, tablets may be dissolved in a teaspoon of water then given to the child. If the child is restless or wakeful, 2 tablets every hour for 6 doses or as recommended by doctor. Teething Tablets are very soft and dissolve almost instantly under the tongue. Please note: If your baby has been crying or upset, your baby may fall asleep after using this product because the pain has been relieved and your child can rest.

Other Information
