Boneset Herb is traditionally used to support the body's natural defense system. Many continue to value it as herbal support for bronchial passages and for immune system support. It's also thought to maintain white blood cell function, a crucial part of the body's defense mechanism. In addition, Boneset is a bitter tonic, which supports digestive health and bowel function.*

Common uses include:

- Supports immune system function*
- Enhances natural resistance*
- Supports upper respiratory health*
- Bitter herbal tonic promotes healthy digestion*
- Supports healthy bowel function*
