Goldenseal Root is an essential remedy that everyone should have in their herbal medicine chest. The prized root provides unparalleled immune support, and it soothes the mucous membranes of the throat, sinuses, digestive and respiratory tracts. Its natural alkaloids promote normal mucous production, the body's system for expelling germs. The yellow root is also used as a digestive tonic.*

Common uses include:

- Supports immune system function*
- Promotes bronchial, sinus and respiratory tract health*
- Calms upset stomach as digestive tonic*
- Soothes gastrointestinal distress*
- Promotes liver and gallbladder function*
