Nettle Root has been used since the time of the famous first century Greek physicians Dioscorides and Galen. Today, it remains an important, time-proven herb to promote urinary tract health, as well as provide soothing support for prostate and bladder functions.*

Common uses include:

- Supports healthy urinary function*
- Supports prostate health*
- Calming effect on the bladder*
- Supports respiratory function*
- Soothes the mucus tissue, such as the throat and bronchial passages*

Vcaps® is a registered trademark of Capsugel.
