## Stevia Extract

Native Americans in Central and South America have safely used Stevia for hundreds of years, valuing this sweet herb not only for the delicious taste but also for its medicinal properties. With zero calories and a zero glycemic index, Nature's Wonderland® Stevia Extract is especially popular for adding to hot or cold coffees and teas. It contains absolutely nothing artificial, and is made from the best tasting, highest quality Stevia available.\*

Tell your friends.... A "Sweet Secret" can't be kept forever!
