Sulfur is often called the "beauty mineral" due to its vital role in supporting healthy hair, beautiful skin, and strong nails. In fact, it's a vital component of collagen, the protein that helps skin maintain its youthful elasticity. The body also uses Sulfur to maintain bone and joint health; collagen is also the principal protein of tendons and cartilage. Our pure, odorless, lime-colored, USP grade Sulphur means it meets the United States Pharmacopoeia's standard of high quality.*

Common uses include:

- Promotes beautiful skin, healthy hair, and strong nails*
- Promotes clear complexion*
- Supports bone and joint health*
- USP Grade*
