Witch Hazel has a long history of use in North America. Today, it continues to be trusted and well respected for its ability to support healthy veins, which are vital for circulatory health. The bark is used much like the leaves; for its ability to tighten, tone and support healthy veins, which are vital for circulatory health. The bark, however, contains a higher content of a specific astringent compound, hamamelitannin.*

Common uses include:

- Herbal astringent*
- Supports healthy veins*
- Promotes healthy circulation*

Vcaps® is a registered trademark of Capsugel.
