Garlic bulb powder (<i>Allium sativum</i>)	.500 mg	†
(Yielding 1% [5,000 mcg] allicin)		

* Percent Daily Values are based on 2,000 calorie diet.

† Daily value not established

Other Ingredients: Cellulose, stearic acid, dicalcium phosphate, magnesium stearate and silica.

Not manufactured with: sugar, salt, dairy, yeast, wheat, gluten, corn, soy, preservatives, artificial colors or flavors.

Caution: For Adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Suggested Use: As a dietary supplement, take 1 tablet daily with food, or as directed by a health care professional.

Keep in a cool, dry place with lid tightly closed.

Benefits of Standardized Garlic:

With its high concentration of sulfur-containing compounds, garlic has consistently demonstrated an ability to support immune function, cardiovascular health and provide antioxidant protection. Our standardized garlic powder is equal to one-half bulb of fresh garlic. Each tablet is enteric coated for odor control and to avoid stomach acids which can cause allicin decomposition.*

- Promotes cardiovascular health*
- Standardized and odor controlled*

Double Safety Sealed: Do not accept if either tear band on cap or inner freshness seal is damaged or missing.

Nature's Wonderland® Guarantee: This product is guaranteed for purity, freshness and labeled potency.
