**KEEP OUT OF REACH OF CHILDREN.**

# Vitamin D-3

## 125 mcg (5,000 IU)

*Dietary Supplement*  
100 Softgels

### **SUPPLEMENT FACTS**

Serving Size 1 Softgel Capsule

	Amount Per Serving	% Daily Value
Vitamin D-3 (as cholecalciferol)	125 mcg (5,000 IU)	625%

**Other Ingredients:** Softgel (gelatin, glycerin and water), safflower oil and cholecalciferol.

The role of Vitamin D in helping to maintain bone density and strength is clear. It is required for the process of moving calcium through the intestinal wall into the bloodstream.† Even though the human body can manufacture Vitamin D under ideal circumstances, there is strong evidence that much of the American population suffers from a deficiency of the nutrient. This means that supplementation may be important. Cholecalciferol (D-3) is a natural, highly bioavailable form of Vitamin D derived from lanolin.
