

**Spices:** The very word conjures up visions of exotic tastes and places around the world... and well it should. Throughout history, spices have been searched for in far-away ports for their culinary and medicinal value.

- Our love affair with spices continues today. When you have the spices of the world at your fingertips, you can create the delicious and exotic dishes of far-away cultures.
- Using spices in your cooking is not only tasty, but healthy too! The medicinal value of turmeric, cayenne pepper, cinnamon, fenugreek, garlic, ginger and many other spices is widely accepted in cultures around the world.
- We are proud to introduce our new Nature's Wonderland® line of Premium Spices that are guaranteed to add flavor and zest to your favorite foods! Each one of our Premium Spices is packaged in a convenient shaker-top bottle, sealed tight for freshness. Each spice is hand-selected to be the highest quality available.
- Why buy spices from Penn Herb Company, when most are available at your supermarket? The answer is price, quality and selection. We offer only the highest quality spices at a reasonable price.
