Benefits of Ashwaganda:

Ashwagandha (*Withania somnifera*) is an herb that is extensively used in Ayurveda, the traditional herbal system in India. Ashwagandha is used as a general tonic and “adaptogen,” helping the body adapt to temporary, normal stress. In addition, preliminary data suggest that ashwagandha supports a healthy immune system.*

- Popular Ayurvedic health-promoting tonic*
- Helps body adapt to stress*
- Supports healthy immune system*
